Re: Letter of Recommendation

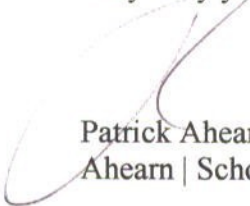

To Whom It May Concern:

I am an architect specializing in high-end residential architecture, throughout the United States. Heid Construction was the General Contractor for my own home's gut rehabilitation of a three-floor town house at the Meadows, in Beaver Creek, Colorado.

In my 33 years of practice, I have not had a more enjoyable experience! Gerard and his team's attention to detail and his positive "can do" attitude has made the process of creating our new mountain home seamless and one of the most enjoyable undertakings in my professional career.

I highly recommend Heid Construction for any project in the Vail Valley.

Very truly yours,
